

## Ohio Revised Code

### Section 5575.09 Record of proceedings for improvement.

Effective: December 20, 2005

Legislation: Senate Bill 107 - 126th General Assembly

---

The board of township trustees shall provide the township fiscal officer with a suitable book in which the fiscal officer shall keep a complete record of proceedings for the construction, reconstruction, resurfacing, or improvement of public roads. For making the record, the fiscal officer shall receive ten cents for each one hundred words, and, for all other services in connection with keeping the record, the fiscal officer shall receive the reasonable compensation allowed by the board.
